

Benefits of Being an IEEE Member

◆ Being a IEEE member:

1. Keeping Technically Current:

Technology professionals and engineers will always be continually challenged to keep abreast of new and changing technology. In addition to your studies, IEEE has the means for you to remain technically current through competitions and award-winning publications.

Have access to:

- IEEE Potentials magazine – digital
- IEEE Spectrum magazine – digital
- IEEE Explore abstracts
- IEEE Member Digital Library
- e-Book Classics

2. Career Resources and recognition:

Being a student is the first job of your professional career. Let IEEE help with valuable scholarship, and award program opportunities.

Have access to:

- The Institute Newsletter
- IEEE Women in Engineering

3. Professional Networking :

Professional networking is a necessary skill for a lifetime of career success. Network with an unparalleled, global community of professionals.

Have access to:

- Googleapps@IEEE
- Local Meetings

4. Continuing Education:

IEEE student members have access to numerous continuing education opportunities at discounted rates. Keep growing with educational opportunities available for IEEE members.

Have access to:

- IEEE.tv
- IEEE continuing education
- Student Travel Grants

5. Humanitarian Programs:

A large number of IEEE members take time to make a difference in the lives of individuals or entire communities.

Have access to:

- Special Interest Group on Humanitarian Technology(SIGHT)

6. Exclusive Participation:

IEEE Members can participate in events organized exclusively for members!!

Have access to:

- Conferences exclusively conducted for members.
- Competitions exclusive for members worth cash prizes.

- IEEE members can access information on local events and activities by signing in to [IEEE Collabratec®](#), an integrated multi-functional platform and global network of technology-focused professionals, leveraging IEEE's extensive knowledge base and community of thought-leaders. Once signed in, users can:
 - ✓ **Network with other technology professionals**
 - ✓ **Establish a professional profile highlighting your accomplishments**
 - ✓ **Join and participate in discussions on various technical interests**
 - ✓ **Create a group to share and collaborate on projects**
 - ✓ **Discover IEEE events and activities throughout the world**

◆ Being a IEEE UNIT member:

1. Monthly Events:
 - Avail Discounts on monthly events.
 - Enjoy an array of technical and non technical events monthly
 - Sharpen you soft skills as well as technical and communication skills.
 - Enjoy some of the events for free.
 - Enjoy member exclusive events.
2. IVs:
 - Jaw Dropping discounts on the Yearly Industrial Visit.
3. Workshops:
 - Avail Discounts on Workshops.
 - Attend workshops from your domain of interest or explore new technologies.
 - Get notifications to the IEEE workshops and conferences.
4. Seminars:
 - Keep updated with the new and upcoming fields for further studies.
 - Attend career seminars for free!
 - Get in touch with various classes and courses to prepare for further studies through IEEE.

5. Competitions:

- Avail Discounts on competition entry fees.
- Participate in member exclusive technical and non technical competitions.
- Win exciting prizes

6. Fest:

- Avail Discounts on Fest events.

7. Certification:

- Get certificates from IEEE UMIT for various events and fests.
- Add certificates to your resume to stand out.
